Dear Clerk,

On 7/1/05, I was forwarded, By mcaac officials, On Order By This Court Agreeing To Extend Defendants Time To Respond By 7/29/05. First of all, You should not have sent that order to mcaac in the first place because, it has been established that this court knows that I am not housed in mcaac. In other words, it is documented that you have sent me legal mail before to the below address. The court's plan ~~is~~ for my case to be dismissed for failure to respond because you and the court do not like me, as well as the other judges. I am interested in knowing why I have not heard from the defendants thus far.

CWC,

Curtis Wright ~~#~~ 206-095
